

PROGRESSIVE POLICIES PROMISED BY MILLER ADMINISTRATION

Platform adopted by the People's Party in a nutshell:

Ready enforcement of the water-front improvement plan.
Improvement of city-wide drainage for civic beautification to make Corpus Christi America's most beautiful resort city.

The operation of the municipal water plant improvements and a sweeping reduction in water rates.

Construction of safety of swimming free boardwalks during the summer months.

Reconstruction of streets throughout and the paving of all eligible streets as rapidly as possible as recommended by the Board of Public Works.

The speedy improvement of the South Bluff Park.

Improvement and extension of existing public recreational such as street, coast, electric, and beach, swimming, street lights, shore and marine safety, water front, fire and electrical fire fighting equipment.

The improvement of the work of the Commercial Dept.

Efficiency of every department of the city government.

A sufficient surplus from year-end funds in the Improvement Fund to meet the expenses of the new administration.

The reconstruction of the City Auditorium.

The reconstruction of the City Hall.

The reconstruction of the City Hall and Annex in full form.

The reconstruction of the Auditorium.

The reconstruction of the Auditorium.
